

INTRODUCING A WHOLE NEW
LEVEL OF PRODUCTIVITY™

THE ALL NEW TOYOTA 4-WHEEL. THE MOST POWERFUL AC ELECTRIC WE'VE EVER BUILT.

The brand new 8-Series 4-wheel AC is loaded with features. Including new Toyota-designed motors and controllers, giving you an all-AC truck with less maintenance, greater travel and lift speeds and improved run times. Bottom line: more productivity. Check out the new 8-Series AC at toyotaforklift.com today. And raise your own bar.
